

Department of Wildlife Ecology and Conservation
MS Student Final Exam Instructions

MS Non-Thesis Final Exam

1. Pick up your Final Exam Form from Claire Williams, 102 NZH.
2. All members of your Supervisory Committee must sign your Final Exam Form.
3. Once signed, return **original** Final Exam Form to Claire Williams, 102 NZH. Keep a copy of the signed form for your records, also.

Note: This form should be returned to Claire on the day of your Final Exam so that the results of your Final Exam can be input to the Graduate School. The Graduate School does not recognize the results of your Final Exam until this information is input by the Department into GIMS. This must be done before the midpoint of the term, or your degree will not be certified.

4. Confirm the results of your Final Exam on GIMS, <http://gradschool.ufl.edu/students/gims.html> .

Good Luck with Your Exam!
