

## **Potential topics for winter retreat on WEC academic programs**

**December 6, 2007**

### Graduate program overview

- Institutional and societal change and evolution and its relation to our graduate program
- identification of core departmental values and goals for graduate program

### Graduate program admissions

- Linkages to SNRE
- New University standards
- Admission qualifications (GRE scores, grades)
- entrance dates
- the petition process

### Graduate program curriculum

- reevaluation of requirements
- reevaluation of offerings
- time for development of a “core course”?
